CALLSIGN: 14
TIME OVER TARGET: 1348Z-1618Z
EEI: Planned C-17 Humanitarian Drop at 1500Z; provide overwatch for STS on the ground. Approximate pax count (compared to previous days), ID distro points, visible security or lack thereof, and any indications of violence.

Overview: While on target, the sensor observed the Church drop zone, secured the locals at the DZ, and had a successful C-17 Supply Drop at 1513Z. At 1348Z, the sensor was called on target at the Church DZ, three pax were observed on the walkway on the S side of the DZ, as well as a tree on fire on that same S walkway (SLIDE 2). From 1413Z-1420Z, a helo landed on Church DZ to establish security for the C-17 supply drop (SLIDE 3). Approx 200 locals ran from the S to the helo. At 1420Z, a convoy of UN security came in to secure the area (SLIDE 4). From 1513Z-1618Z, a C-17 came in from the S with a supply drop (SLIDE 5). Locals were secure and drop was executed well. After the drop the S side of Church DZ was secure but more locals came in from the N. A few small scuffles over the supplies, but no large scale violence. Overwatch and Force Protection was provided by the sensor until bingo. At 1618Z, the sensor was called off target and RTB.

C-17 SUPPLY DROP/ CHURCH DZ/ AFTERMATH

UNCLASSIFIED

(U) (EO) From 1513Z-1618Z, C-17 came in from the S with a supply drop. Locals were secure and drop was executed well. The S side of Church DZ was secure but more locals came in from the N. Aid was not secured by the UN forces, and after two vehicle-loads of aid were taken by the locals that came in from the N, the UN forces allowed the crowd of 200 locals to run up from the S. A few small scuffles arose over supplies but most of the crowd was chaotic as they secured the aid. No large scale violence occurred.
